.....

Every room can use tiles from the indispensable and unpretentious Basic collection, which has much to offer. The uniform neutral colours (black and white) and two finishes combine perfectly with our other tile collections. The Basic collection blends into many different spaces, making it the simple choice. Indeed, a harmonious effect is guaranteed.

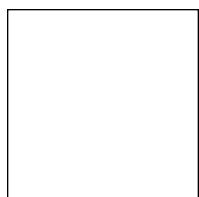

Barletta

PORCELAIN

Barletta is a classic collection that offers something for everyone. The collection fits perfectly with contemporary and modern designs. You can't go wrong with this indispensable collection.

anthracite
matte

.....

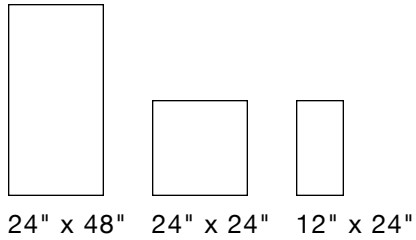

Baya is an inspired choice for those interested in a more urban look. Combining stone and concrete subtleties, this porcelain tile is particularly well-suited to open-concept spaces. Its light veining also makes it perfect for wall accents in showers or wall coverings around fireplaces. The four colours offer a range of possibilities for creating different moods in industrial and contemporary spaces.

Extra

PORCELAIN

Formats (rectified):

Colours:

.....

The Extra series is characterized by its uniform colours, a slate-type matte finish, a tone-on-tone texture and a versatile and contemporary format. The Extra collection gives you a wide range of possibilities for creating a warm and stylish atmosphere.

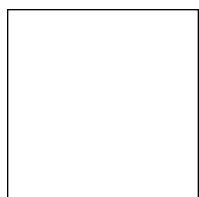

Built

PORCELAIN

Concrete and cement are building materials that have defined and shaped modern architecture. Indeed, this raw material is ever-present in our daily lives and interiors. The Built collection's take on cement, transcends its primary function as a raw material. Built is an expression of modernism with a minimalist quality that can be effectively combined with other materials, colours and formats.

Available in 12 luminous tones running the gamut from bright to classic, the Mega Bloc wall tile collection is your portal to creativity. Its extended 6x24 format gives it a modern look that won't go unnoticed, whether you use the collection in small or large rooms in residential or commercial spaces.

Mega Bloc is available in two enamel finishes, either satin matte or gloss. The satin finish evokes the softness of velvet, while the glossy enamel gives the colours an added punch. Mega Bloc works well with all styles and rounds out any decor.

Metro

CERAMIC TILE

Formats:

4" x 16"

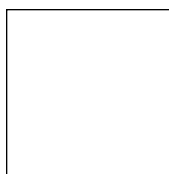

4" x 12"

3" x 6"

Colour:

white
matte
glossy

.....

The Metro collection is aptly named. Ever since these rectangular tiles were installed in New York and Paris subway stations in the 1900s, they have become indispensable. These tiles have a timeless look that never goes out of style. The iconic 3x6 format and white finish is more in style than ever, giving us yet another reason to get inspired and create two other formats. It's also easy to play around with the layout style (brick, straight, chevron, etc.) to get the look you want for each of your projects.

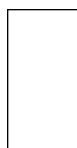

Miro

CERAMIC TILE

.....

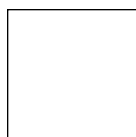

This collection is perfectly adapted to commercial spaces. Its ten vibrant colours will help you create stunning bathroom and shower walls. Thanks to its modern look and format, the Miro collection offers a world of possibilities.
